Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Washburn contacted Attorney Holmes to discuss that claims 8-10 are considered non-statutory under 35 USC 101 because the claims are drawn to non-functional descriptive material. Claims 8-10 describe a table of values, which is considered a compilation of data, and is thus considered non-statutory under 35 USC 101. Examiner Washburn recommended cancelling claims 8-10 in order to put the case in allowable form, but Attorney Holmes wanted to see a more detailed explanation of why claims 8-10 are drawn to non-functional descriptive material, so Examiner Washburn agreed to send a detailed written explanation of the rejection of claim 8-10 in a final office action.
